12pm - 3pm

*Fountain Park in  
Historic Downtown Chestertown*

**From New York, Philadelphia, New Jersey, and Wilmington**

Take I-95 South to 896 South (Exit 1, Middletown, Delaware). Follow 896 to Route 301 which brings you into Maryland. Take the Route 291 exit towards Chestertown. Travel approximately 15 minutes to the intersection with MD 213 South and turn left. Pass Washington College and proceed to the traffic light at Cross Street where you will turn right. The next light is High Street. Fountain Park is at the intersection of Cross and High Streets. Find a spot to park anywhere on any of the main or side streets or in the lots indicated in the Parking information.

**From Washington D.C., Baltimore and Annapolis**

Take Route 50/301 East across the Chesapeake Bay Bridge. Bear left at the split to continue on MD 301 North. You will exit in about five miles onto MD 213 North towards Centreville/Chestertown. Proceed through Centreville and continue for about 18 miles, crossing the Chester River Bridge. At the first light, turn left onto Cross Street. The next light is High Street. Fountain Park is at the intersection of Cross and High Streets. Find a spot to park anywhere on any of the main or side streets or in the lots indicated in the Parking information.

**From Salisbury, Cambridge and Easton**

Take 50 East through Easton continuing past Route 404 to Route 213 North to Centreville. Proceed through Centreville and continue for about 18 miles, crossing the Chester River Bridge. At the first light, turn left onto Cross Street. The next light is High Street. Fountain Park is at the intersection of Cross and High Streets. Find a spot to park anywhere on any of the main or side streets or in the lots indicated in the Parking information.
